- Why has NTK interest in CC?
- What is NRGL?
- What is GL?
- Which institutions cooperate?
- How are used CC licenses?

GREY LITERATURE

210 mm

- Grey Literature "Information produced on all levels of government, academics, business and industry in electronic and print formats not controlled by commercial publishing i.e. where publishing is not the primary activity of the producing body."

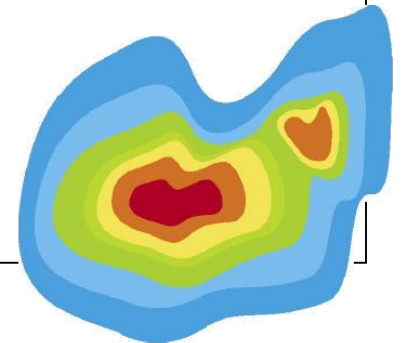

(Luxembourg, 1997 - Expanded in New York, 2004, on WWW <<http://www.greynet.org/index.html>>)

- Over 140 organizations from
 - Research
 - Education
 - State administration
 - Culture – galleries, libraries and museums
 - Nonprofit organizations
 - And personal archives

210 mm

- Every work is protected by Czech Copyright law
- It does not exclude the use of Creative Commons license

REASONS OF LITTLE USE

210 mm

- Still small widespread in the Czech Republic
- Permanent lack of trust
- Not obligatory
- Lack of organizations internal guidelines

- 2008 first presentations about CC
- Every year
 - CC presentation as a part of conference
 - special workshops focused only on CC
- Discussing legal issues and CC
- Part of training - How to publish work in repository
- NTK internal guidelines

Thank you for attention!
