

Czech ORCID Consortium

Hana Heringová  Hana Janečková 

orcid@techlib.cz

ORCID Consortia Interest Group

May 23, 2023

Co-funded by
the European Union

Towards Czech ORCID Consortium

- 2015 Czech Technical University in Prague
- 2019 Action plan for National Strategy of Open Access to Scientific Information for 2017-2020 - ORCID mandatory in the national CRIS
- 2020 R&D&I Council (administers and operates the national CRIS) released a call for research organizations to introduce ORCID
- 2020 seven individual members

Towards Czech ORCID Consortium

- 2020 project "National Centre for Information Support of R&D&I" (2021-2027) (NCIP VaVal)
- 2021 workshop "ORCID in the Czech Republic: towards National Consortium."
- 2021/2022 Analysis of needs for persistent author identifiers (ORCID iD) among the research institutions
- 2023-2028 project „Czech Academic and Research Discovery Services“ (CARDS)

National ORCID Consortium

- Will be created **1. 6. 2023**
- ~**20** interested institutions
- Funded by the CARDS project
- Gradual expansion

National ORCID Consortium

Challenges:

- Concerns regarding data privacy > a webinar focusing on ORCID and GDPR
- Unclearity on ORCID being mandatory / recommended
- Risk of low interoperability/integrations due to challenges in IT skills

National ORCID Consortium

Further steps:

- PIDs Workshop in Prague (1. 6. 2023)
- Onboarding meeting (15. 6. 2023)
- PR campaign (autumn 2023)
- Cost-benefit analysis of PIDs (2024 & 2028)

National Centre for Persistent Identifiers

- Created on Jan 1, 2023

GOAL: Provide administrative, methodical and financial support for efficient PID implementation and use in the Czech R&D environment

- www.identifikatory.cz (in cooperation with the Czech National Library)

National Centre for Persistent Identifiers

- Currently 4 full time employees (by 2028 up to 8):
 - National ISSN Centre
 - National ORCID Centre
 - National DOI Centre (DataCite)
