Where do the EU Structural Funds go?

Use the search box below to query the EU structural funds database.

[Methodology](#) | [Terms and Conditions](#)

How to search:

- This database search looks for all matches of exact words in the EU fund project titles, beneficiaries and descriptions.
- At this stage, it distinguishes between accents, so searching for [Punta Umbria Turistica](#) gives different results to [Punta Umbría Turística](#) (note the accent on the "i"s).
- You can translate search words to look for key words in other languages - so having searched for *council*, you can search for *council* in any of the 23 EU languages.

For more information on the data please read our [Methodology](#) page, or contact eufunding@ft.com
