

Research Portal Denmark

- a PID founded national research output infrastructure

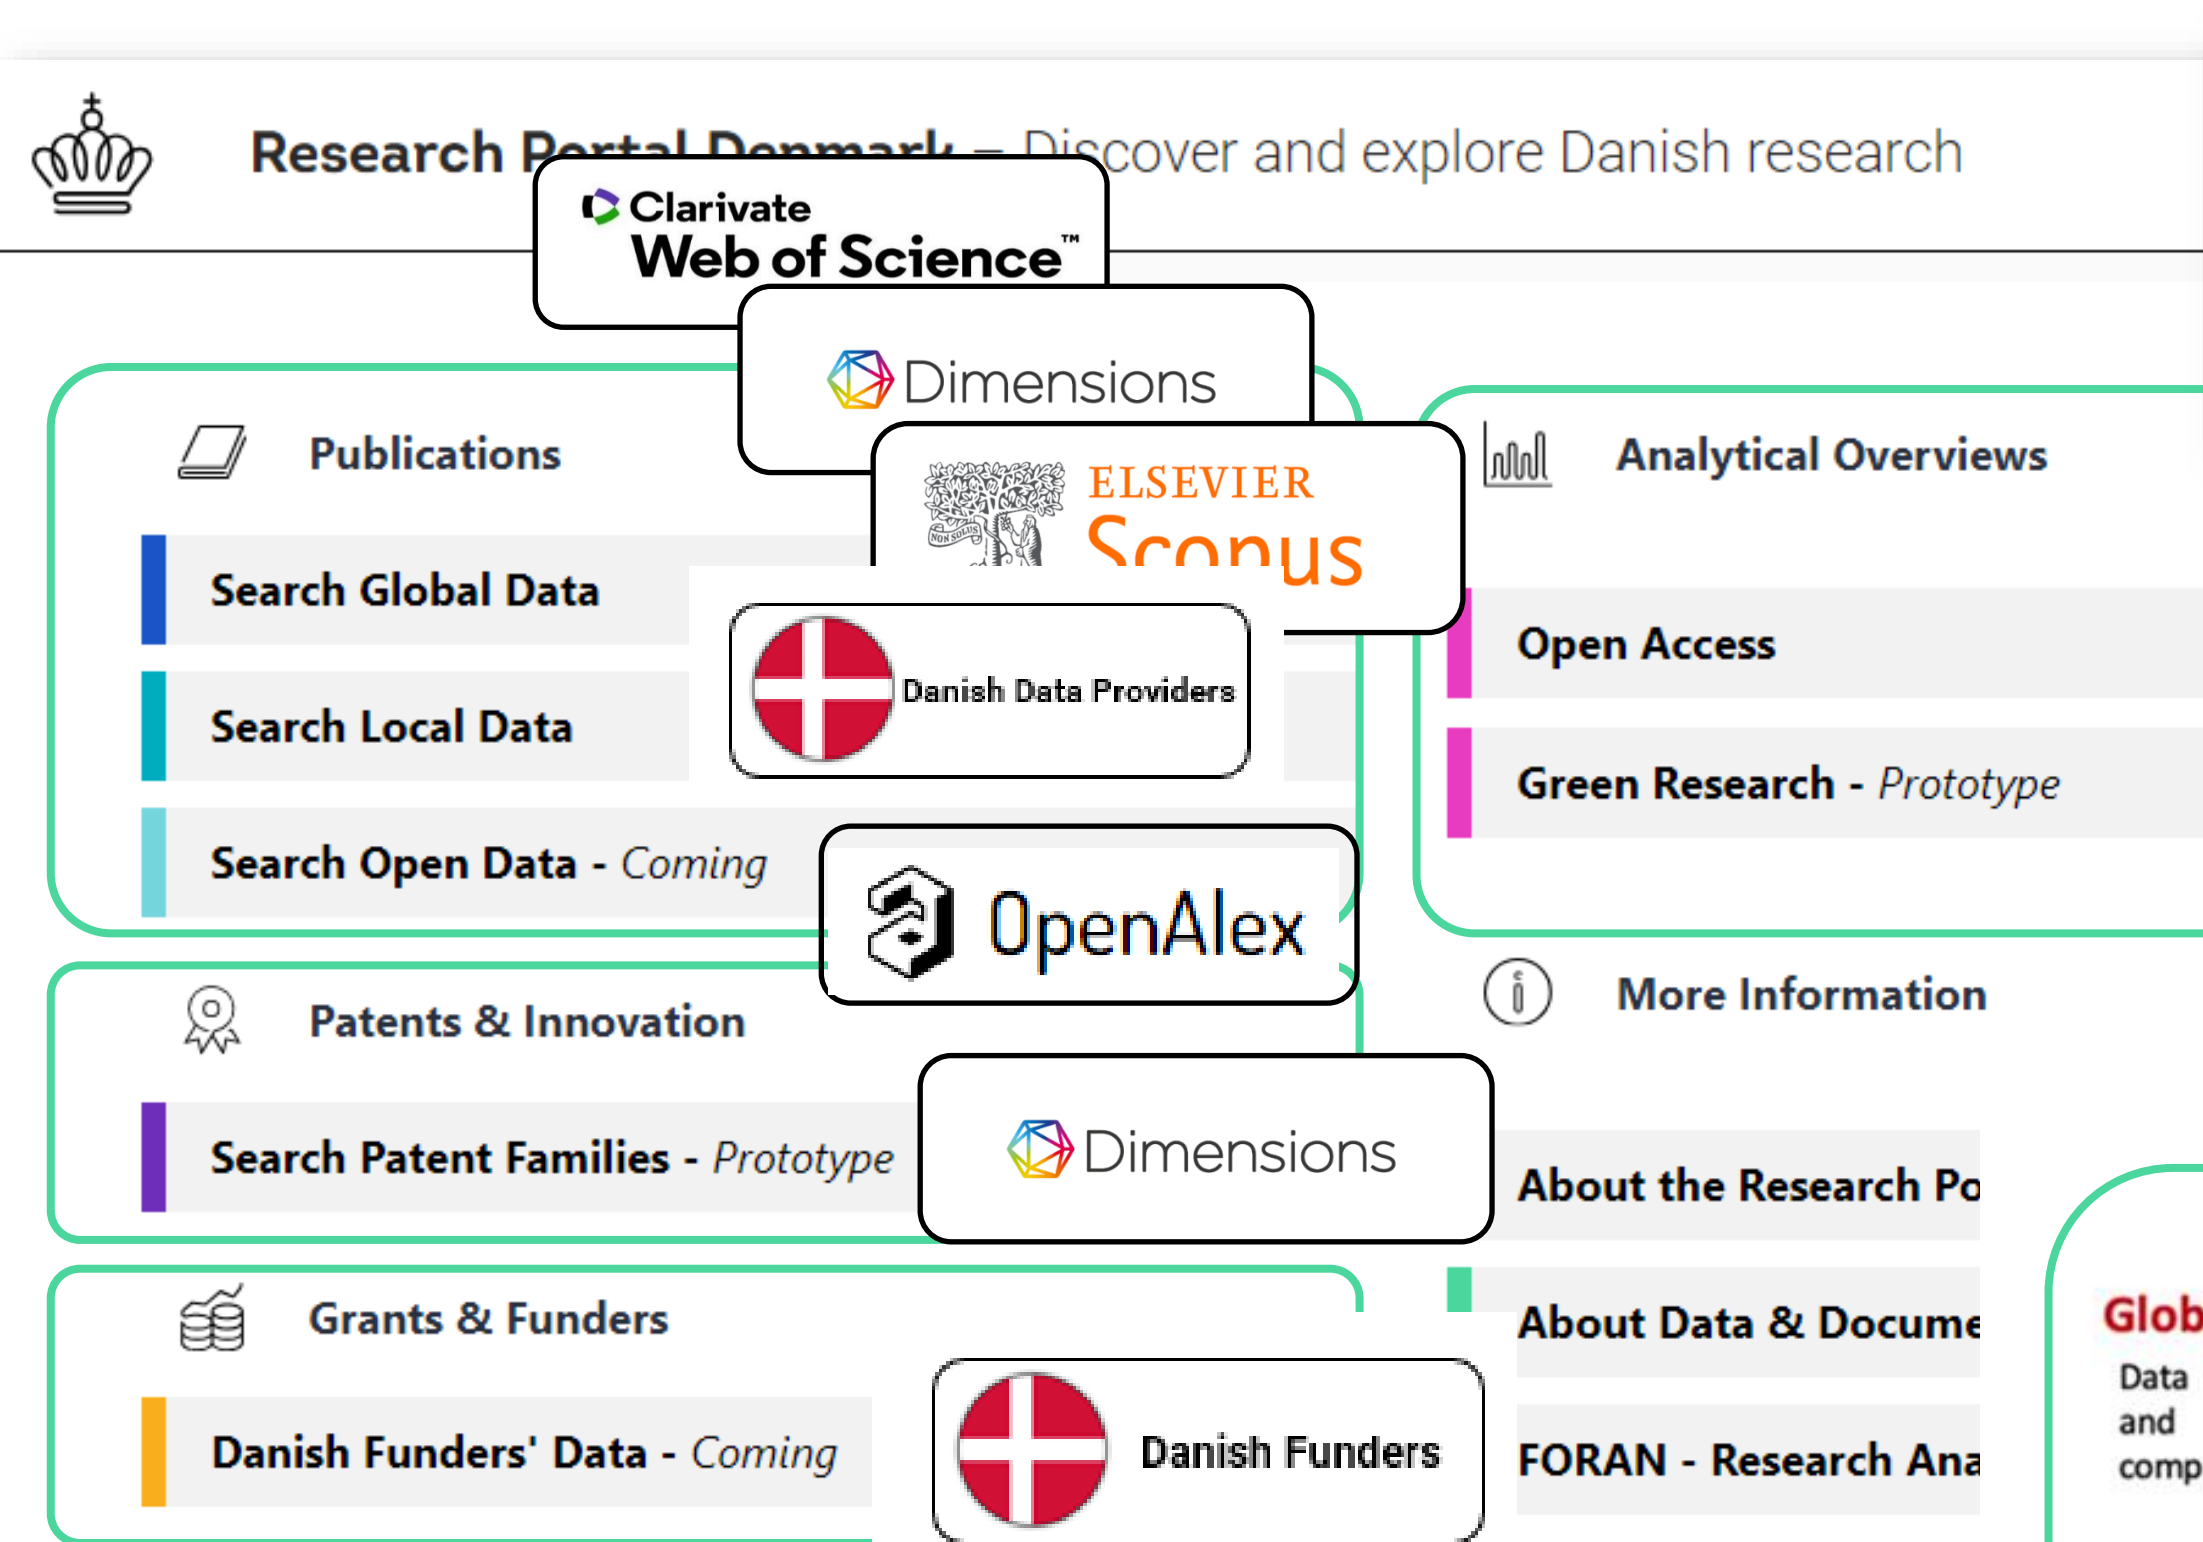

Karen Hytteballe Ibanez 
NORA - National Open Research Analytics,
Technical University of Denmark

Nikoline Dohm Lauridsen 
NORA - National Open Research Analytics,
Technical University of Denmark

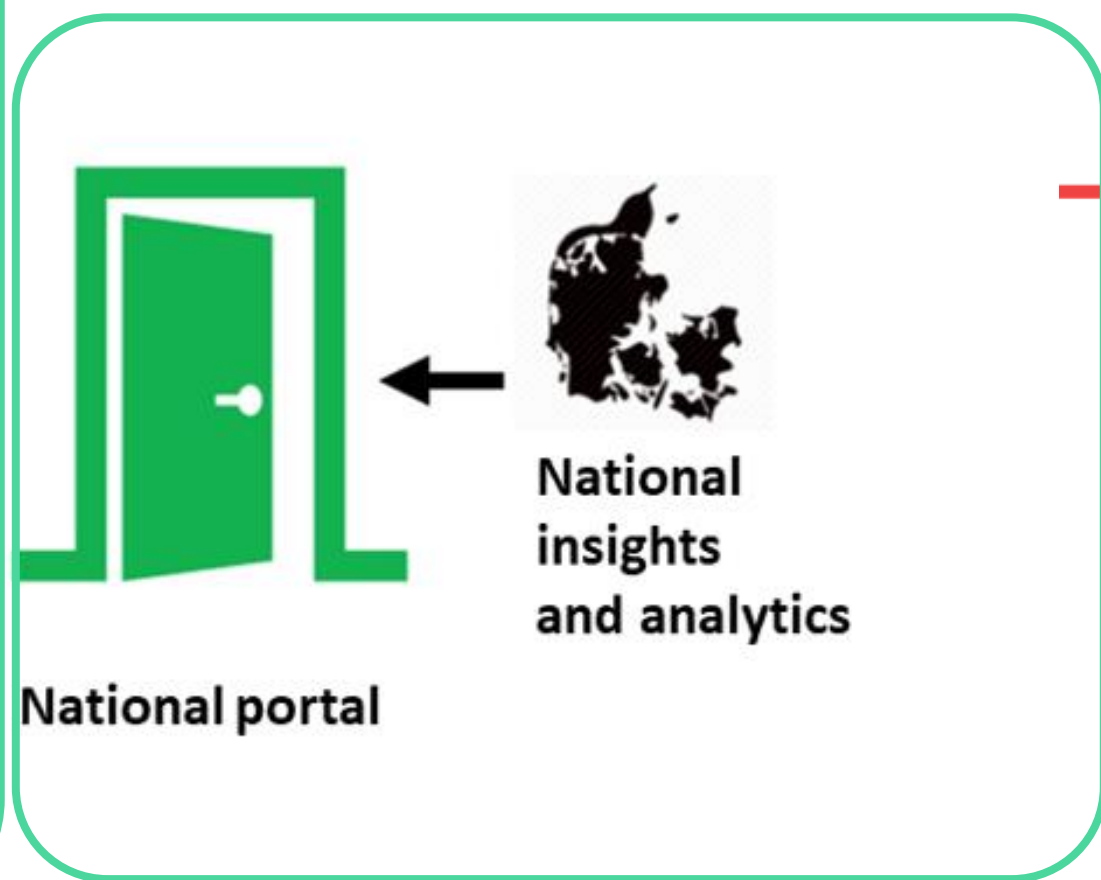

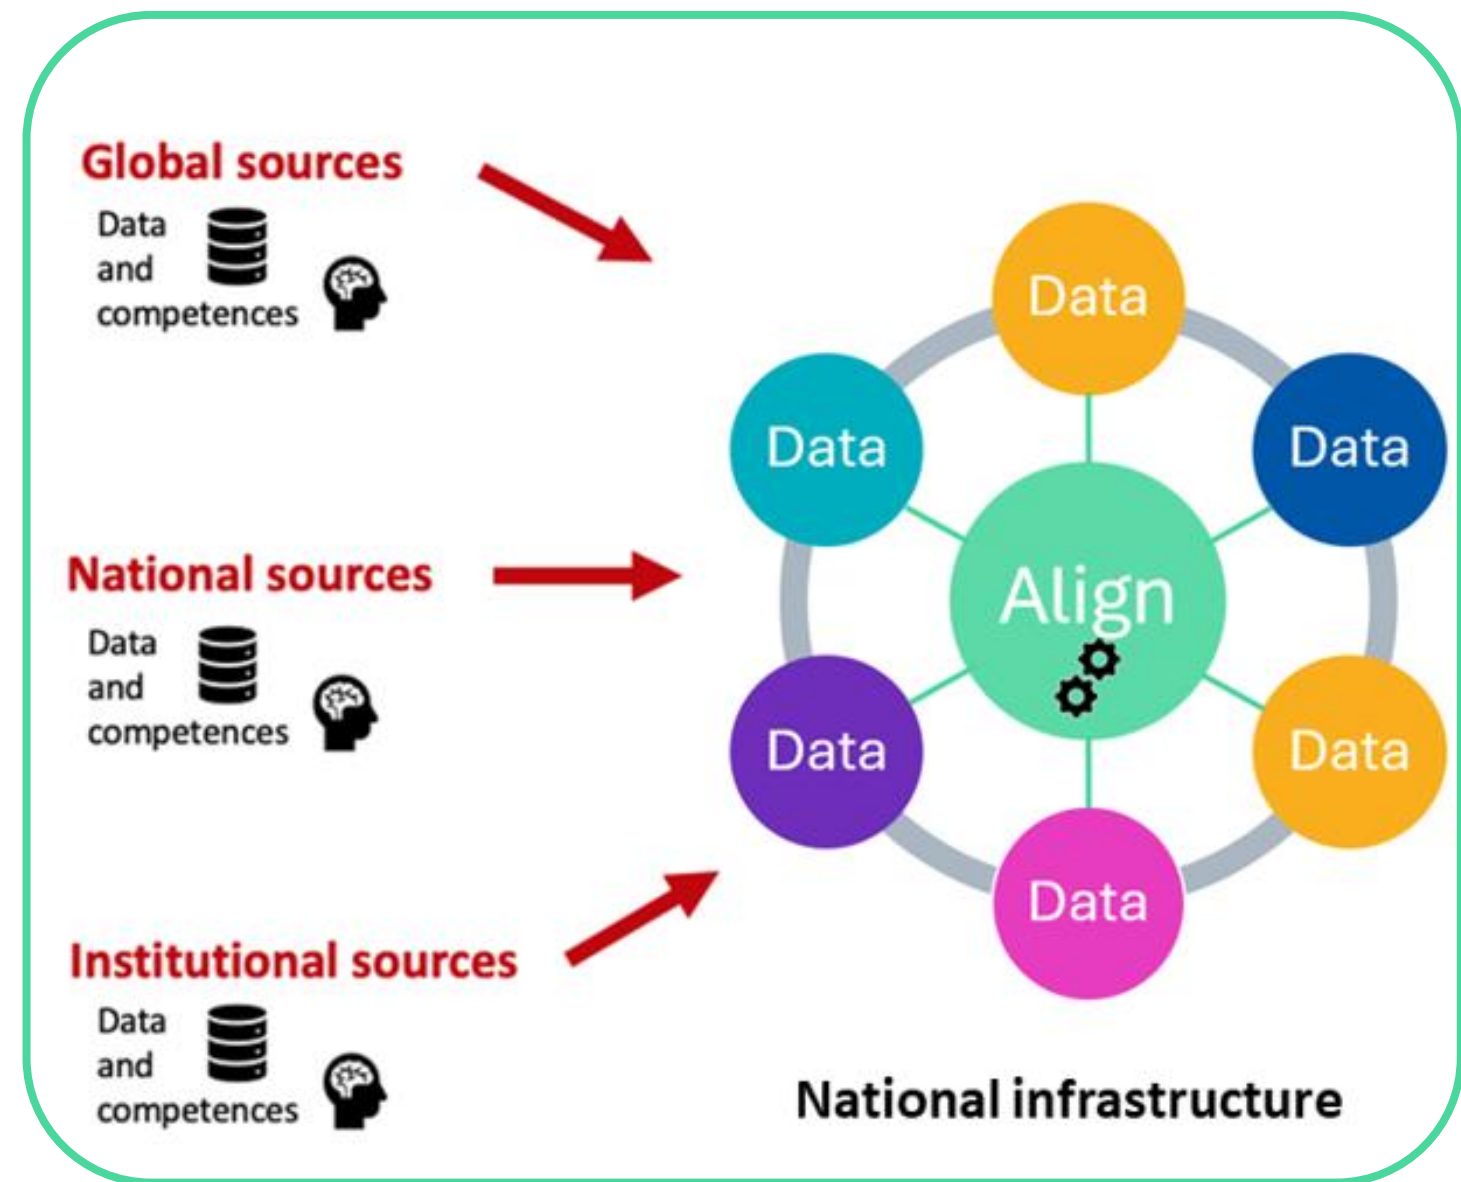

Co-funded by
the European Union

What is Research Portal Denmark?

Mission

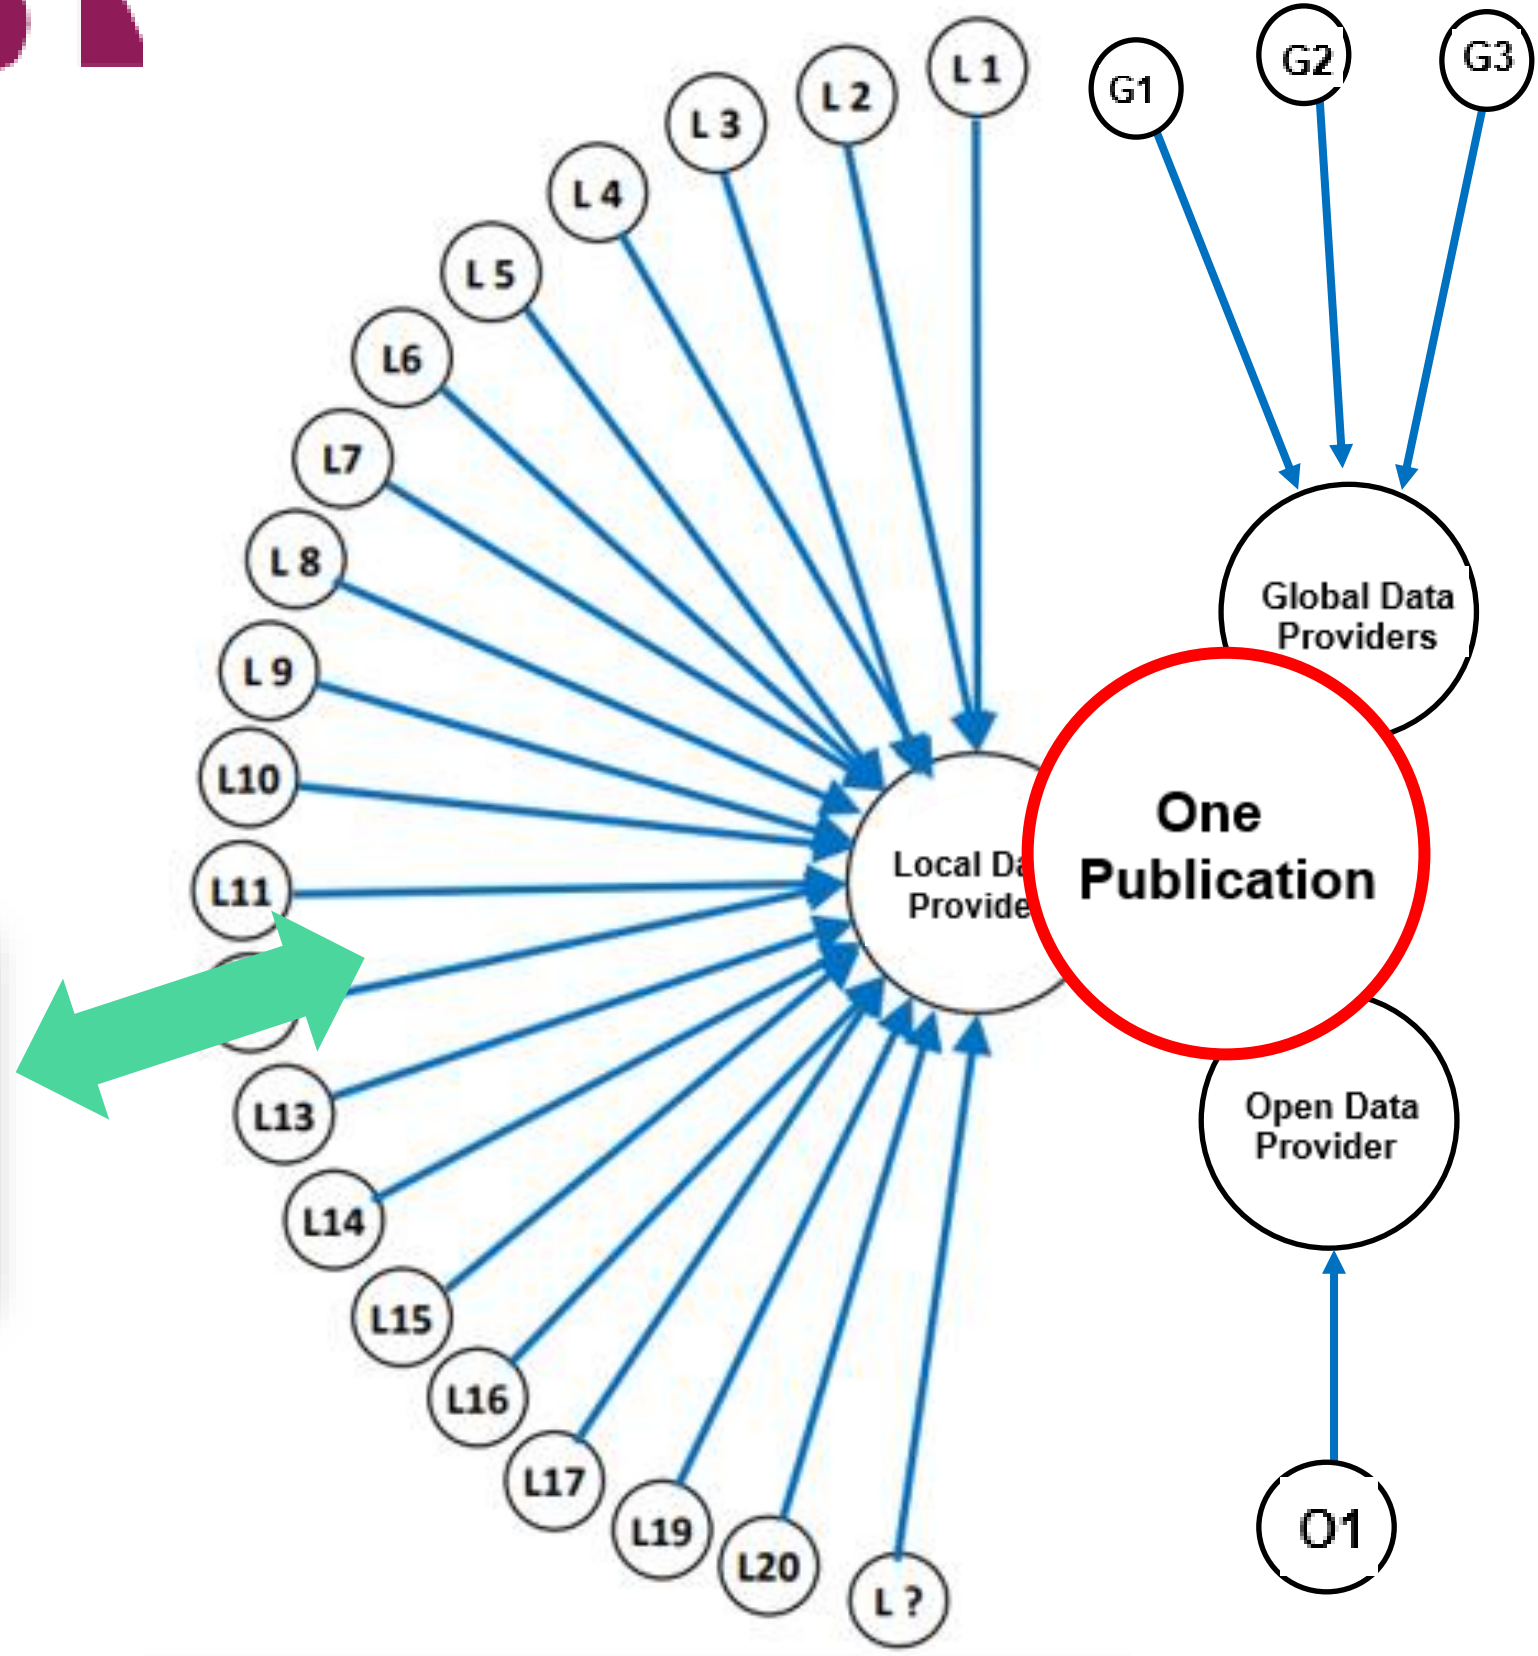

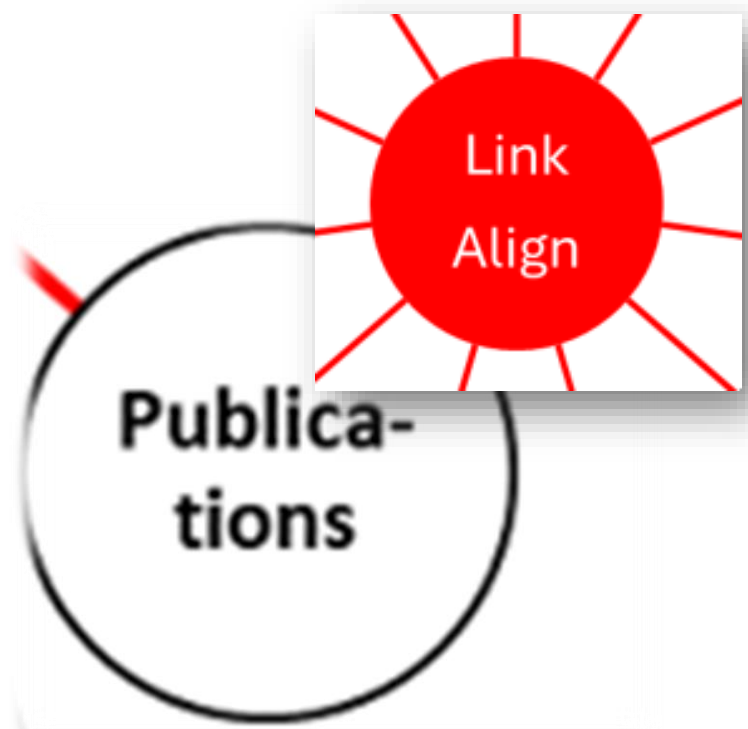

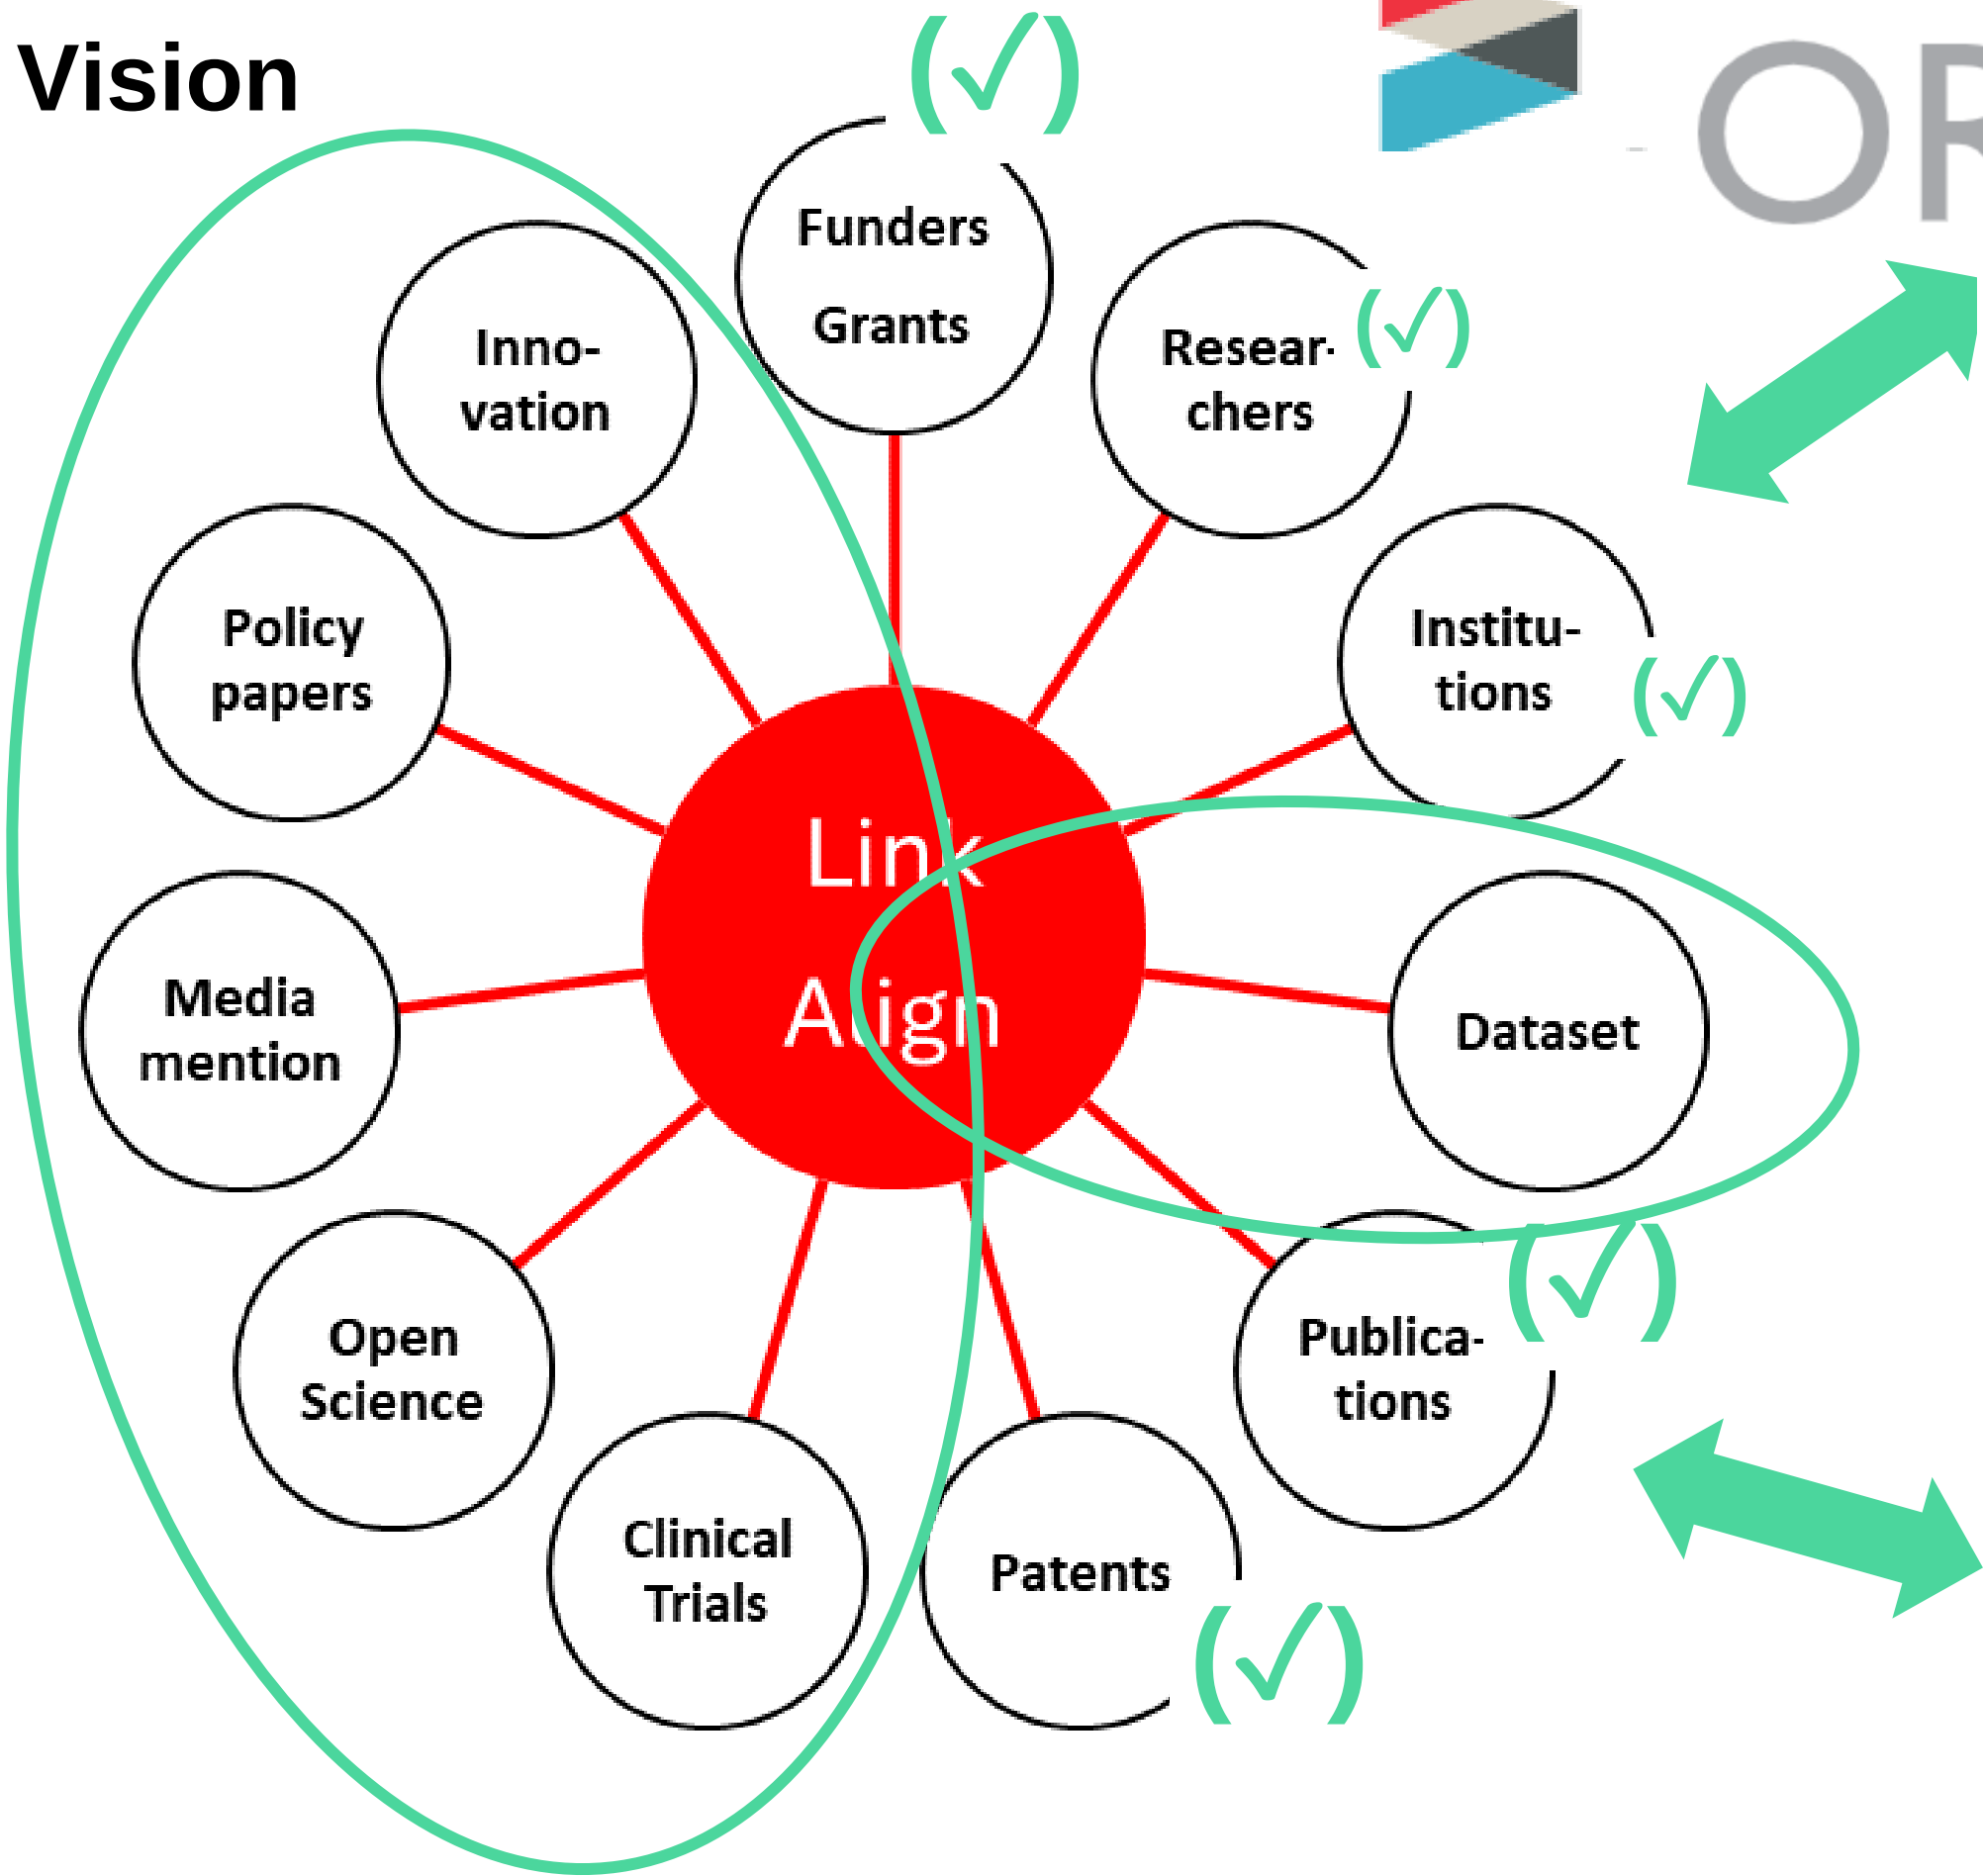

Build a data infrastructure by collecting and coordinating the best possible data from global, national and local sources

Build platforms for search and analysis on top of this data – with high quality and integrity

Data Infrastructure

Vision

PID Opportunities & Challenges
